Security Certified Program Creates Key Partnership with Harper College

March 14, 2008 – *Geneva, Illinois* – Security Certified Program (SCP), LLC announced today that they have established a training partnership with Harper College. Harper College will provide official SCP courses to students in the Schaumburg, Illinois area.

Mark Patrick, VP of Sales and Marketing states, “It is critical in today’s market that IT personnel are equipped with the knowledge and hands-on skills to implement strong computer and network security policies. SCP is please to announce that Harper College meets the requirements of the SCP Authorized Training Partner program and will offer quality hands-on training to IT administrators in their region.”
