Security Certified Program Creates Key Partnership with Netlan Technology Center

April 12, 2007 – Geneva, Illinois – Security Certified Program (SCP), LLC announced today that they have established a training partnership with Netlan Technology Center. Netlan Technology Center will provide official SCP courses to students in the New York city area.

Mark Patrick, VP of Sales and Marketing states, “It is critical in today’s market that IT personnel are equipped with the knowledge and hands-on skills to implement strong computer and network security policies. SCP is please to announce that Netlan Technology Center meets the requirements of the SCP Authorized Training Partner program and will offer quality hands-on training to IT administrators in their region.”
