Security Certified Program Creates Key Partnership with Advance Career Development

February 28, 2008 – *Geneva, Illinois* – Security Certified Program (SCP), LLC announced today that they have established a training partnership with Advance Career Development. Advance Career Development will provide official SCP courses to students in the San Jose, California area.

Mark Patrick, VP of Sales and Marketing states, “It is critical in today’s market that IT personnel are equipped with the knowledge and hands-on skills to implement strong computer and network security policies. SCP is pleased to announce that Advance Career Development meets the requirements of the SCP Authorized Training Partner program and will offer quality hands-on training to IT administrators in their region.”
