Security Certified Program Creates Key Partnership with Meridian Technology Center

March 31, 2008 – Geneva, Illinois – Security Certified Program (SCP), LLC announced today that they have established a training partnership with Meridian Technology Center. Meridian Technology Center will provide official SCP courses to students in the Stillwater, Oklahoma area.

Mark Patrick, VP of Sales and Marketing states, “It is critical in today’s market that IT personnel are equipped with the knowledge and hands-on skills to implement strong computer and network security policies. SCP is pleased to announce that Meridian Technology Center meets the requirements of the Security Certified Academic Partner program and will offer quality hands-on training to IT administrators in their region.”
